About TOP

Trusted, Original, Protection

Top Security Door Sdn. Bhd. has been operating since 2008 as a dedicated manufacturer of security doors in Malaysia. Supported by an extensive network of over 600 authorized dealers, we uphold a commitment to dependable protection, structural integrity and consistent product quality.

As an ISO 9001:2015 certified company, we adhere to stringent engineering standards, material controls and manufacturing processes. Our focus remains on delivering security solutions that ensure durability, reliability and long-term peace of mind for every customer.

Mission

Built on quality,
proven by service.

Vision

Build to protect,
made for peace of mind.
